High·Tech·Denta

Dentistry 3.0.

fdw

FDW
FULL DIGITAL WORKFLOW

Learn about:

The standard FDW
Intra oral scanning and face scanning (tips & tricks)
Designing new smile in EXOCAD
Printing new mock-up veneers
Try-in of the veneers and photos & case documentation on Keynote

During the breaks participants will practice with face scanner and intra oral scanner and get to use Exocad Webview for better communication between dentist and technician.
